<p>projection of the next six months and any activities planned:</p>	<p>In the next 6 months we will publicly launch the external communication platform (http://sike.web.ua.pt); make available online the (adapted) set of workshops and implement the strategy to involve participants; launch the EVOLVE contest in the context of the previous activities.</p>
<p>name the projects / innovators helped and in what ways have they progressed since using the SIKE unit:</p>	<ul style="list-style-type: none"> - Laboratório cívico (https://labcivicosantiago.wordpress.com) - ReFood (https://www.re-food.org/en) - Kimente (https://kimente.pt) - Com Vida - Projecto Ó - 3 Pontinhos - Porta a Porta <p>The first 2 are ongoing projects that are being monitored by the portuguese SIKE Unit and are integrated in the Glocal Network, using the available resources.</p> <p>The Kimente project is an external consultancy, by invitation of the IRIS Social Incubator, and the SIKE Unit helped in the re-orientation and focus of the original idea. We are also now helping in the establishment of the final business model.</p> <p>The 4 last projects are initiatives that were completely supported by the SIKE Unit, since the generation of ideas to the prototyping stage.</p>
